The Lady:

Stunning girl in her late 20s, tanned, and massive tits

The Story:

I visited and had a choice of girls but chose Jess.

Paid ?50 for bog standard service massage, oral and sex.

Jess is a very sexy lady and had me standing to attention in no time at all, her best feature is her massive tits which I enjoyed licking and burying my head in. On to some oral covered and O.k BJ but nothing beats OWO but that was extra and didn't have the funds on me, shame!

Then she let me bend her over and shag her doggy style in front of the mirror and the reflection of her tits bouncing around meant I didn't last long!

Overall a good punt and value for money. Next time I will bring extra money for some little extras.
