The Lady:

Ashleigh is a very attractive slim but busty dark haired girl. I would guess she is in her early /mid twenties and quite tall. I found her humour and wit much to my liking .

The Story:

Well..after having a poor round of golf at a local club I called in here for some cheer and certainly got more than I bargained for. The massage itself was excellent with plenty of teasing in the right areas and then the body to body was sublime. I have never had that before and the sight of a beautiful young girl sliding all over my body was fantastic to say the least. Needless to say the finish was exceptional too. Next time I dont think I will bother with the golf. Instead I will just come back here again !!
