The Premises:

New apartment block on the High Street near to Slough Library above a Polish supermarket. Through 2 sets of security gates then across an overlooked courtyard to the entry door. Actual flat located on 5th floor

The Lady:

Romanian (should've walked there and then) 20 - 30 heavily made up, hairy legs, back, arse and pussy not shaved for about a week, size 10 maybe, She was menstruating heavily, saggy tits, stretch marks, did I mention hairy

The Story:

I checked on the phone about clarification beforehand, lady goes by the name "Denisa love you all" on a certain purple website. She doesn't do any of the likes she stated she does do ie kissing, massage, owo. she won't let you slip a finger inside but is happy to let you fuck her BB no extra charge. As soon as I was on the bed no massage offered, went to play with pussy but saw red inflamed spot on labia. Had paid 70 quid for the hour but ended up 20mins later leaving after the worst handjob known to man, (my dog could've done better) Avoid like the plague. Also advertises as "Beatrice come get me" & "Angelica1" photos and girls do not match. Worst punt of my life
