The Lady:

JJ is tanned, very slim (catwalk model figure) with the most incredible firm bum and pert breasts. She has long dark hair and is gorgeous looking with very captivating eyes (she is amazing with the eye contact as she treats you) and a smile that just goes on for ever!

The Story:

I asked for a hard massage with a soft finish....she laughed and promised the finish would be very soft indeed!

She has very good hands, forearms and elbows all used to work the knots out of my aching back and thighs!!! It's a lovely treat when she hops on (very agile) and slides up and down your back purring in your ear like a kitten!!!

JJ has a great sense of humour so there's plenty of banter and joking if you want or i'd imagine peace and quiet as well if you'd prefer?

Turning over was a proper treat for me as JJ's eyes barely left mine as she gave my front the same attention, alternating between firm hands and oh so light strokes with her lovely long nails! Like i said in the description, JJ is gorgeous so it's hard not to get lost in the moment as the treatment comes to a climax.

As promised the finish was soft yet fantastic. I couldn't help feeling 'looked after' during my session which was an added bonus.

This one's a 'keeper' lads so treat her well and you may be rewarded!!!

Thanks JJ....see you soon! x
