nice and clean, but Ego Massage always is. Fairly public car park, but no one seems to notice comings and goings

### The Lady:

very athletically built. nice body once disrobbed and lovely suckable nipples

### The Story:

I have been coming to Egos for a while and found all the girls to be lovely. I had read poor feedback about Ashleigh, but most of the fun in this game is finding out the good and bad yourself. I went for the 45 min body to body, and was well pleased when she walked in the room. Very naturally pretty, with hardly any make up, and was very engaging from the start. Whilst being massaged face down, her massage technique was very sensual and she definately knew how to make the right parts throb. Her hand was slipping down underneath to the important areas on many occassions and the anticipation was killing me. Once flipped over she took her time to massage my front and the HE was much needed. Not once did she clock watch, and she even helped dry me off after my shower as well. Thoroughly enjoyed myself, just need to find the funds to COME again.
