### The Story:

I found myself with some time to kill before a meeting in Northampton so I thought I would call in on the off chance.

Initially, I was disappointed when I was told that all of the other girls were work working and that only Sophie was available. When asked if I would like to see Sophie, I politely accepted fully expecting her to be a bit of a munta that nobody else wanted to choose.

How wrong I was !

Sophie came round the corner and introduced herself and WOW WOW WOW !

She has a really pretty face, stunning body with a cracking smile and seemed very happy and smiling.

That'll fucking do me, I thought to myself and booked for the half hour all-in option which I was told included Sex, Oral and Reverse-Oral

Sophie then showed me to the room at the end of the corridor which was a large room with double bed. She showed me to the shower and asked if I wanted a drink, which I accepted.

She left me to take a shower whilst she got me a drink, to be honest, I had already got a little over excited at the thought of Sophie so this gave me a minute to relieve that excitement.

Sophie returned a few moments later a cold orange juice for me then asked me to lay on the bed for the massage. Then spophie took off the white tunic she was wearing to expose her fucking incredible body.

She progressed with the massage which was great to have her hands all over me then doing all of the right things to get me going and it wasn't long before I was standing to attention.

Not being able to resist, I had to sample the delights of Sophie's lady bits so went down on her which she seemd to respond to very well letting out groans which weren't over the top porn acting like I have experienced with some other girls.

Sophie then covered me up with a condom and proceeded with a fucking amazing blow job. Again, unfortunately this got me a little over excited so I stopped her short to be able to enter her in missionary for what was unfortunately a short while before I exploded.

Being above this gorgeous lady looking at her very pretty face whilst I pumped away inside her was fucking incredible.

A little chat afterwards where Sophie let me know that she was available every Monday, then I was back into the shower and then I left with a kiss and I was on my way.

I couldn't stop thinking about my time Sophie all day and there have been a lot of moments since.

All in all, a fantastic half hour with a fantastic ,stunning girl. An event I will most definitely be repeating as soon as possible.
