The Story:

Have not done a review for a while but Adriana merits special mention. Very nice pictures, really good feedback and (currently) very, very low rates. After a bit of email traffic we arranged to meet one afternoon while I was in the UK (she only works part time). Adriana is a smart, highly educated professional woman. Having been the first to describe Dollymopp as the RealLoveExperience, Adriana is very much the RealGirlfriendExperience. Could easily imagine spending lots of time with her in or out of doors - funny, sexy, playful and with a naturalness it is very hard to find in London. OWO was brilliant. A real massage! Sex was really energetic and she would have gone well past our designated time had I not crawled out.. Be nice to her PLEASE and highly recommended.
