The Premises:

Flat was as stated on web site Hollywood glam! the bedroom is outstanding with a huge bed and fresh clean silk sheets, the location is good with very discrete and safe parking in the busy car park next door. Entry to the flat in a discrete corner felt very safe and secure.

The Lady:

Eva was even better than her fab pics, they are obviously recent and not cropped as some of the other sites i have come across! She looked amazing and was dressed very nicely in a very seductive dress and the best stockings and suspenders i have seen for a while.

The Story:

Eva met me with a smile and a kiss at the door and put me at ease straight away. I was offered wine, tea, coffee or juice and we sat and had a chat before moving to the bedroom. There i was given one of the best GFE services i have had in a long time with plenty of kisses and cuddles before we moved on to the business. There was no rushing at any time and had plenty of time for a shower before another kiss and cuddle at the door before i left. Total time spent was over an hour but no requirement for extra payment. Hats off to the lady whom has set up this agency she has it just right, great girl, great service, great flat and a no rush policy! i would highly reccomed.
