The Premises:

It's a close walk from Barbican Station, a discrete place despite busy Barbican. Inside is ok, clean, felt safe at all times.

The Lady:

She simply looks attractive but don't let that fool you, she has blonde hair with black highlights at the top, blue eyes, says she is 23 but seemed over 25 to me.

The Story:

The worst punt ever! A total waste of money. All she ever thinks about is her next client as she wants you out of there as quick as possible.

Really fussy about what you do to her, doesn't like changing into much positions, no kissing despite saying she does it and its inclusive of her rates.

She made an impression of her not handling my size, "ohh be gentle" "it hurts" "stop" "don't touch" all of that crap and the fact of the matter is I can feel that she is not tight, she has worked out that pussy since 2009.

Will never go anywhere near her again.
