### The Premises:

The usual you come to expect from MKE, the room was next to the restroom and where the maid took calls so was a little distracting. Otherwise pleasant enough.

### The Lady:

Kiera is very small and petit, cracking face though, very slim, a little too slim and petit for my taste and tiny boobs, let myself down with my selection as I prefer the fuller figure, however if that is your taste she is a little belter.

### The Story:

Kiera is a nice enough girl and we had fun, as above I chose wrong as I prefer a little more meat on the bone, she does put you at ease very quickly though and is fun. She gave the full GFE, got down to some OWO quickly and she is very good at that! I was distracted by what was going on in the room next door, Kiera's giggle got on my nerves a little and she didn't seem to take things seriously when I needed it so led to some issues when it came to putting on the crash helmet and riding the cowgirl, not to worry she finished me off unhurried with a BJ and CIM. Lovely girl, enjoyed the session, poor choice by me, sorry Kiera x
