The Premises:

Very clean, not the usual tacky decor of many places. Ordinary 70's terraced house easy parking. What a wierd place Milton Keynes is, not a place I could live in, very anonymous.

The Lady:

Just like her photos, very petite nice figure, pretty, but being oriental I can't really tell her true age, but it doesn't matter. Very fuckable.

The Story:

A short wait and she entered the room, a hug and kiss and my hand was in her knickers, her hand was groping my cock, my hands were everywhere, lovely figure skin and so small, like a little girl. She sat on the bed, me standing, pulled my jeans down, cock sprang out and straight into her mouth. I fucked her face for 10 minutes.

On to the bed and into 69, she on top, very vigorous, lovely cunt, tongue and fingers in there, nearly spunked so went for the fuck, and did her doggy, very tight cunt, but then I've got a big cock, I was too excited so came too quickly.

10 minutes left so we chatted, no hurry, very relaxed. Great stuff.
