The Premises:

First time I have ever punted, and first time at this place. Nice decor, sturdy bed, lovely greeting at the door by a friendly professional maid.

The Lady:

Stunning lady with a beautiful pale English rose-style complexion, quirky and sexy hairstyle (hot red), very pretty and with an amazing, curvaceous size 8 body with the tiniest, sexiest waist. Breasts and bum were soft and lovely to touch, and Sarah has the most flawless, soft skin that is a joy to move my hand over.

The Story:

Whilst I really enjoyed my first (paid) time, I must admit my nerves got in the way, but Sarah did everything, and more, to ease me in and it worked. We started kissing (soft and gentle and very enjoyable), touching, and her wandering hands were a real turn on. I asked for her mouth and she obliged, with an excellent blowjob. I let her know I was coming but she carried on so I came in her mouth.

Had a chat, impeded by my nerves (so I sounded like a social retard) but it was nice. Sarah gave me a lovely massage, then 'awoke' me for round 2. A blowjob, cowgirl, then offered doggy... All great but my nerves stopped me from coming. She offered a handjob, but nothing happened (my fault) and I was conscious of the time, so finished it there. Overall Sarah was lovely, and the perfect first time punt.
