The Story:

First visit to this establishment. Well kept nice rooms. Upon entering (flight of stairs to the first floor) you arrive at a small window where you can select the massage you want. I went for 30 pounds for 45 min intending just a massage.

The lady at the reception guided me to a room where I waited for who would come. It was Jeena. She looks gorgeous beautiful breasts and under her clothing I could see a nice tattoo. This normally turns me off but this one looked actually good.

During the massage she made me change my mind and I went for the full service tempted by her body. The massage itself was good, no rush, nice and relaxing. After that she told me I could touch her everywhere and she continued with a full body massage. Skillfully using her breasts, hmmm felt really good. After about 30 min into the massage (we chatted during) I was told to turn over and she slid over my legs showing off her goodies with lovely nipples which she let me lick.

I moved on to her belly and then she sat on my face for 5 minutes. It was heaven, lovely slit and clit. She then gave me a good blowjob after which she turned on her back and I again licked her slit for 5 maybe 10 minutes, it was lovely. She shivered enough to convince me she came at least 2 times. After that I went on top for a furious and very satisfying finish. Cuddled and chatted more. No rush and a nice experience.
