### The Premises:

A nice flat in a good building. Met by a maid at the door and another girl sitting on the sofa. I was shown to a room and waited for about 5 minutes for the lady to come in (too long I think).

### The Lady:

Millie is lovely to look at, pretty face and a lithe slender body with beautiful skin. She has enhanced breasts, and a lovely bottom and she wears a red wig. She is fairly petite and feminine.

### The Story:

Things didn't go too well I'm afraid. This was my first visit to HoD and I was expecting better. Millie did not perform the services that were promised, no OWO and other things were discouraged (including A). But most off putting was that she kept her eyes closed at all times, never smiled and made totally false moans which were very much worse than silence as they verged on the ridiculous. Perhaps she was having a bad day, but her service was way below that which I am used to from an escort. She has plenty of positive reports on Punternet so she obviously can be good, but my time with her was very, very disappointing. By far the worst punt I've had for years.
