The Premises:

Sherri lives in a nice, clean discreetly situated house in a hamlet North of Bristol about 2 miles from the A38 or about 10 minutes from the M5 Junction 14.

The Lady:

She is exactly as she describes herself on her website. About 5'3", mature, slim, with curly red hair and sparkly blue eyes.

The Story:

It was a delight to meet up with Sherri again now that she has returned to the UK having been in France for a number of years.

She has some uniforms, but really enjoys wearing sexy lingerie, stockings and heels. She was dressed just as I had asked and I know that she will try to accommodate reasonable requests.

I was greeted with a warm kiss, offered a shower (also afterwards) and after a "get to know you (again)" chat, we moved on to her bedroom. She seems to luxuriate in having a male body beside her and loves giving and receiving massage and really succeeded in offering me a good time. She turned me on and I think that I turned her on as she became a gentle squirter - and a shouter! Oral both ways - her lightly trimmed pussy was a delight.

Our time together was fun. Sherri has a lovely personality and is such easy company with much kissing, stroking and loving. I slightly exceeded my time and I wasn't aware of any clock watching. Being a man of advancing years, I am only capable of "one pop" (despite Sherri's heroic efforts for more) and so we finished our meeting cuddled up and entwined together. She doesn't claim to be anything other than a mature, horny woman but the GFE that she gives is very much on the raunchy end of that scale.

If this reads like I had a great time then I have got this FR just right. Sherri is an intelligent, warm, loving woman with wonderful sensual talents and I recommend her without reservations.

I should add that she does not do "A".
