Details of Service Provider:

Profile Name: High-Class London Escorts

Website: <http://www.citybutterflies.com>

Phone: 02079935060

The Premises:

Average apartment in Marylebone, not too bad.

The Lady:

Completely DIFFERENT from the pictures on the website which are lifted from the internet, the girl i've seen was a rude average looking british girl, not sexy, not friendly and not worth ?750 maybe a tenner in Soho. Like many british girls, she didn't care about her own hygiene and her mouth stank of cigarettes. Plain bait and switch.

The Story:

Had a very expensive hand job and a hint of covered blow job, left within 15 minutes, called agency to complain but they didn't bother to pick up the phone, went back at my office and played with my computer for just 10 minutes to find that at least 15 profiles appearing on the CityButterflies website are fake and the pictures are stolen from the internet. So:

-AnneMarie can be found here:

http://www.notiesmanagement.com/model_detail.php?model_id=228

-Chloe is actually our own very famous Carly Baker here the pictures <http://www.unitybb.org/threads/carly-baker.1191/> and here her own website <http://www.carlybaker.co.uk/>

-Sayuri is the well celebrated model Feng Yu Zhi <http://dailyenglui.blogspot.it/2011/05/feng-yu-zhi-from-chengdu-china-englui.html>

-Lana's pictures are lifted from some lingerie website

<http://daltoncoin.com/pafoa/women/lingerie/Lauren-03.jpg>

-Reena too is fake

<http://www.dreamies.de/show.php?gal=rvfheqr&gali=4&galpage=1&img=4x94l5f216k.jpg>

-Gia is here <http://www.zedge.net/wallpaper/7034637/?pos=1&search=gia&cep=1>

-Emanuelle it's here and here real name appears to be Alina:

<http://www.flairtalent.com/models/mainboard/women/alina-f.aspx>

-Alana it's here: <http://www.queensofkings.com/saj-elegant-model/saj-elegant-model-5/>

-Ciara it's here: http://www.web.stagram.com/p/125461275265814528_16514691

there are lots more but it's not my job to expose these fraudsters, I just wonder why, with so many fake pictures, CityButterflies.com is not already on the PunterNet All of Shame and what else an

agency has to do and how many more punters has to scam before Punternet will do something about it.

Service Provider's Rebuttal

Admin's Note:

In order to be included in the Hall of Shame, first of all someone has to report the provider, giving evidence that I can check, and then I have to verify the claims made.

This has now been done. Your report will undoubtedly save others from a similar experience.
