### The Premises:

Fingertips (which was "Stellas" many moons ago) is a parlour in Fenton. It is under the management of Mel, the madam who once ran "Tammy's" in Burslem. Fingertips is clean and warm, with rooms that are spacious and very well-appointed. The shower is good, but not en-suite. Free parking is available outside. There is a discreet rear entrance.

The inclusive price is still forty notes, when lesser local parlours are asking an extra fiver or more.

### The Lady:

Suzanne is a northern lass, a pretty blonde in her early thirties. She is very tall and has a lovely figure. Although not new to the game, she remains fresh, attentive, sexy and very obliging.

### The Story:

The madam, Mel, said I would not be disappointed, and she proved to be right!

Suzanne was really excellent, being warm, inviting and very passionate. She kissed nicely, and gave very good oral. After that, she was so erotic that I could only last 20 minutes out of my allotted half-hour! Finally, Suzanne hung around and chatted, which was nice.

Suzanne has a delightful manner and I had a great time. She is a real find, and I hope to be back to visit her regularly.
