### The Premises:

Not fun going into the building with all the Union Street traffic going by! Very cold inside today, although was clean and tidy.

### The Lady:

Christina is probably around 25ish, slim and reasonably busty. She looks like a mix of Indian and Spanish, although is actually from the Czech Republic.

### The Story:

Christina did not have the best 'bed side manner', so to speak. I think she said things as a joke, but actually it sounded quite rude! It could of been down to her use of English translation from her native language and she probably did n't realize. I have been used to the WG's around the Milton Keynes area, and there is a world of difference between them and Christina. Pretty much anything goes with the MK girls, whereas Christina did not kiss, did not let me touch intimate areas (fingers or oral!). She went on top, which was OK, then I asked to stand by the mirror (which she was too short to do, not her fault) and then we finished with me on top. She was quick to get me out of her once I had filled the Johnny up and then went straight on to reset the room, rather than help me get cleaned up (again, the MK girls all help with getting you cleaned up!!). Then it was straight out the side door onto Union Street. I would recommend her if all you are after is going with a good looking girl, but the ladies of MK have nothing to worry about, and they are cheaper as well!!!
