The Premises:

It was in a large mansion block between Paddington and Edgware Road - it's a safe area. The flat was a clean studio flat - and was fit for purpose.

The Lady:

Deea/Dee looks just like her photos, and uses both names - i guess it's the short version. She is slim, beautiful and has a sparkle in her eye.

The Story:

I have seen Deea a few times over the last two years (there is a previous FR) but she is now to be based in Central London which is much more convenient for me.

This was different and brilliant and deserved a new report. After offering a shower and a drink she blindfolded me, and teased me with great skill for a long time! She kept me on the edge and finally surprised me in my darkness by jumping on to my cock and fucking me to a huge orgasm whilst playing with my balls and a dildo in my ass!

I've had fabulous "normal" visits with Deea in the past - but next time will be more of this!!

Form an orderly queue, gents... ...I'm the one at the front!
