The Premises:

It's an excellent location for a flat that was tidy and clean. It's always a problem to find a parking in the area around Covent Garden, however, the tube is just a few minutes walking distance.

The Lady:

It's a very good looking brunette, great body, great to talk to and very sexy.

The Story:

Gave me a nice massage then made her way down to my cock and executed a wonderful owo, very nice technique and unrushed, i had to ask her to slow down before to cum too soon, i let her suck me some more then i returned the favor, her pussy had a very good taste, i made her cum then wore a condom and shagged her in a few position until i've reached the orgasm too. We talked a bit afterwards and must admit that she's a smart one. Overall a great girl, great sex, all good.
