The Premises:

Been a regular here for awhile. Clean, well managed and with a discreet access from the alley behind the main street. Rooms always clean.

The Lady:

Tegan is a tall full-figured lady with long dark hair. She has a very pretty face (the rest you can see from the website).

The Story:

Tegan is not my usual type, in fact I only went with her because the other girl didn't seem interested in an introduction (I had clearly been drinking all day / it was the end of the shift). I usually go for petite women but boy was I glad to break the mould.

In the room Tegan immediately made me feel at ease by sucking my cock. After a little playful sucking she asked what I was after - facesitting came to mind and she immediately sat on my face. Boy I could spend an hour just doing that - it was amazing as I rimmed her and licked her delicious pussy.

After a facesitting session it was time to get down to the business so I fucked her doggy whilst talking dirty. She seemed to respond and get into the dirty talk.

Tegan was great and from the dirty talk, next time I go she's going to fuck me - strap-on / finger can't wait to find out.
