short skinny little blonde, small but not as gorgeous as previously reported and not pretty but hey tastes vary so worth a try...and yes she does need to clean up those pubes

The Story:

Well as I arrived greeted with her supposedly somewhat limited language, she asked if I was here to see her or her friend, and stuck with her. Walked through kitchen area where one of the other girls was on the computer, to her room. Got the money side out of the way and she disappeared for a rather long chat (surprise surprise). On return she wanted me to undress and then proceed to walk back through the kitchen to the bathrooms for 'laundry'. So we had to almost argue that I wasn't about to do that and we settled I would walk through clothed to the bathroom. No assisted shower of course, here's towel and off she went again. Anyhow, shower taken back to room, through the kitchen where two girls were now chatting and laughing, one gave her dirty look. Once in the room, I had kind of had enough of the poor english routine by now and just wanted to get down to what I had paid for. She wasn't really the hottie I had expected but for 80 I guess this is what you get, Attitude! She seemed to like to spend alot of time doing nothing rather than servicing the client, with the constant excuse of no english. Finally got down to a bit of action, very quick blow, rubber on, missionary, doggie and standing. And of course, with her lack of english, she does manage to know how to say ' cum quick darling yes !'...and ok last time....anyhow her comments were just escalating no matter how I tried to take it easy or help her enjoy, it hadn't even been 15 min of play, but no luck. In the end I explained to her that this was bad for business and that if she didn't like it and couldn't handle this job, she was in the wrong one. I decided to stop and leave. I've had many a beautiful woman and hours of fun, but this girl should be only reserved for street corner quickies, not hourly service. If you like your girls genuinely into servicing their clients for an hour session without hassle, silly games and argumentative attitude then stay away guys, but if you're into a very quick pressured bang then waste your money. This one gives the genuine working girls a bad name. I don't think it's her inexperience, I just think she has an attitude problem and uses the 'no english' thing as an excuse...she got through customs didn't she ?
