### The Premises:

discreet building, flat had other people there but felt fine and loud music on in other room. her room although bit messy was fit for purpose with a large bed.

### The Lady:

nice warm smile, small girl but not slim, definitely more on the curvy side with nicely sized breasts...although not a stunner had gone to a lot of trouble of getting herself looking her best with tan, long blonde hair , make up and sexy lingerie with porn star heels.

### The Story:

Was greeted into flat with a nice warm smiling Kate all dolled up for action. Her attitude was great from the beginning, finance easily out of the way, we got straight into business..she was wearing some nice sexy porn star gear so a treat to undress to expose her full tanned breasts, very suckable. before I undressed she was trying to get to my cock which her immediate taking in her mouth made me feel right at home. She's not the best OWO I've had but she was very willing to do what she knows so that made up plus the blonde hair extensions looked sexy. On with the rubber and we were off for an hour of dare I say non stop session of various positions, OWO and breast sucking breaks, one hilarious moment when someone open the door by mistake and apologetically closing quickly...very funny but added to the fun. She really seemed to be enjoying herself and I did give her a bit of a pounding at times which was making her a bit dreamy so when she finally checked the clock she laughed and said I was 3 min over. Asked her if I could finish and she happily agreed, a few nice deep thrusts and I was exploding in a torrent.

This is my second review, I'm glad it's a positive one, this punt was good VFM if you like you're girls interested and keen to keep you happy whilst making an effort and you're not looking for a top figure model. I may not return as I'm looking for the one at the moment but she offers great service ! Enjoy !
