The Premises:

Came to my hotel. Functional.

The Lady:

Dusky mixed race maiden with long wavy hair, fit figure, nice boobs. Maybe half Caribbean looking. I am not sure. Came to me looking very girl-next-door, walked straight passed reception with me without raising an eyebrow.

The Story:

Bex is not a full time escort (yet) so you dont get a typical escort performance. She looks great and provides a sensual un-rushed service, more like a naughty one-night-stand with a hot chick, than a working girl. Great OWO, kissing and reverse oral followed by some exhaustive mish action. Great time. Give her a try, but don't ring at the last minute, as I said this is a part time job for her so she needs to be given time to get to yours.
