The Story:

After another stressful week I decided to treat myself to this young lady. She is very cheeky and bubbly and is very sexy.

After a glass of wine and some flirting she removed her clothes to reveal her amazing body. She lay on the bed next to me and allowed me to play with her breasts, I could have licked and sucked those perfect nipples for the full 2 hours!

She then let me eat her perfect young pussy while she moaned and squirmed with pleasure. I then moved up her body and sucked her nipples some more while fingering her. We then had sex in a number of different positions. To finish she gave me owo and allowed me to cum in her mouth. I would definatly recommend Britney. She has an innocence about her which probably wont last. I will definitely be booking her again next week.
