The Premises:

Discreate apartment not to far from Earls Court tube. Intercom entrance and to get into the lobby. She is one the first floor so a short walk upstairs. She met me at the door wearing a see through dressing gown.

The Lady:

Blonde bombshell just how I like my ladies. Looking even better than her pictures on the website. 5.6 height slim and 34D.

The Story:

I was offered a shower which I accepted, whilst I showered she poureed me a glass of coke. When I was drying off she entered the bathroom and proceeded to dry me off. Must say it was rather nice to receive that special attention. With the towel wrapped arond me I followed Noelle to the bedroom. All the lights off and candles around the room. A quick massage and it did seem quick she asked me to turn over and her hands headed straight for my bits. Once i was erect she moved down me kissing my nipples on the way. Her oral is mind blowing. Got to say give her a call if you are in Earls Court, definateley on of the best. I got to do some pussy licking, she was naturally nice and wet. We ended up in a 69 with her on top pushing her bum down onto my face. When it came to finishing off she likes doggy and I was more than happy to hang onto her cheeks and pump away for all I was worth. Very satified I jumped in the shower and then it was back onto the street. Great lady.
