The Premises:

Her place is located in a very safe and quiet street near baker street. Her room was spacious and tidy. Very Nice!

The Lady:

Absolutely beautiful. Her face is stunning in my opinion. I have seen a fair few thai girls but she is easily the prettiest I've met. Her body is fantastic too, lovely round bum for a petite girl. Her breasts are lovely, not too big, not too small, slightly enhanced but very hard to notice. Her pictures are extremely accurate, damn, I want to go back right now. Beautiful!

The Story:

Lovely kisser, really great, lots of girls can kiss but you really want to kiss her because she is so pretty. Very good bj, she can deepthroat well. Tit wank great! Sex was very good, didn't ask for a-levels as I didn't want to break the mood. Others say it is on offer and she is a lovely girl and can imagine she does it. I am an a-level fan, but her performance was sooo good I didn't have the desire for it. I'm starting to understand how gfe can be better than pse. Although if you are into pse I think she would fit the bill too. I can't wait to go back!
