The Story:

I had a really enjoyable time with Naseema. She was very charming, pretty and interesting and she was great company, never a dull moment! She made the whole hour very entertaining with conversation and with her performance. Sex was magic! Naseema has a delightful soft touch which gets you in the mood instantly! After a very sexy massage she got on her knees and performed deep, sexy oral on me. I let her ride me the first time round and after a quick break, I managed to cum again but this time it was in doggy. A very pleasant punt and I will return to see her.
