The Premises:

Basic but adequate flat. A little difficult to find. Good public car park close by.

The Lady:

25 years old, polish, a little chubby (fine with me). Nice bottom but breasts a little small (imo). Nice face and lips.

The Story:

Her ad in AW was quite explicit about her services and especially that there are no extra charges. But then when it comes to it, it is "no" unless you pay extra. She claims that she has asked her friend to update the profile, but no sign of this yet. This is the third polish girl to do this to me, so I am not going to risk another.

Another note is that she tasted of something sweet/fruity ... I prefer women to taste of woman. Anyway the refusals had the wrong effect on my performance.
