### The Premises:

Flat is in the centre of the city. Clean, good light, suitable bed, and a nice collection of implements.

### The Lady:

Cherry is curvy and sexy. She's not long and not thin. One could speak about her ass, her legs, her smile and so on ??? she looks very good and she dressed well according to my wishes, stockings, skirt & &. She has a few tattoos and her high-heels make her taller.

### The Story:

From the start Cherry made me feel very welcome. I started with warming up her behind and most of the time saw her being spanked, whipped, tawsed, caned & &. Her buttocks took the most strokes, finally not only being red but bloodied by the bristles of a bathbrush. Also for instance her breasts and thighs were treated by hands and implements.

Inside her few limits everything seems possible. How many reacts to the suggestion that her breast could be caned, which she'd never experienced, with a smile and afterwards proudly displays the resulting bruises?

Sure, I've got sadistic inclinations, but Cherry embraced them along with the rest of me. When it came to the harshers implements and strokes Cherry preferred a set number as a help to cope.

Also helping was a dildo ??? her orgasmes were numerous.

I've met spankees and submissives for more than twenty years and my meeting with Cherry is among the very best. Although I write about the severity ??? the session wouldn't have been this outstanding if it hadn't been in combination with mutual trust and enjoyment ??? and the beautiful and cheeky smile of Cherry. She was cheerful, friendly, positive, and concerned with my pleasure, but certainly didn't mind if what happened was pleasurable for her.

Cherry is submissive and gives a dominant many possibilities. I would imagining that she's good to adapt her attitude and service to the man she meets, probably also in a more sexual oriented meeting.
