The Premises:

Nice area, a lot of tourists!

Clean premises, the maid works hard!

The Lady:

Italian, jet black hair, big bum, big (natural) tits with an enthusiastic look in her eyes!

The Story:

I'm standing looking straight and I see a pair of tits. No, not the maids but Karolina's. As soon as the vision of these tetas hit my retina my dick was stiffer than a neat bourbon.

Karolina adorns herself in numerous costume jewellery some of which reminded me of some mardi gras accessories. I didn't mind I just wanted to jizz on her whole body.

She likes to tease, she likes to be spanked. I liked spanking her and hearing her playful groans. We were by the mirror and she sucked me whilst watching her sucking me. Another spanking!

She likes her pussy being licked she likes her arse being tickled. So much so that I only have one word to say. Anal!!

My dick was Rocco hard! Karolina got fucked!

Please fuck Karolina because she enjoys it and needs your yoghurt! Please satisfy her.

If you don't, I will have no other option but to return to satisfy her again! again! & again!

She will lose puppy fat and reduce dress sizes. She will walk with grace and men will succumb to her charm!

She will become the legend that legends respect!
