The Lady:

Very sexy figure 27 5`7 8,32C very pert firm boobs. Rihanna is the maid in SKen, I always say? she`s the most beautiful maid in the kingdom!?

Makes her blush. A Lithuanian beauty, bewitching eyes, with naughty glint

The Story:

I rang the door bell, Rihanna opened the door, saying Hi ***, gave her kiss on the cheek, asked me what drink I`d like, nice cuppa tea please, said I could go straight upstairs to the large room, I made slight boob, went to wrong room, slightly opened door saw glimpse of naked girl giving massage, OOPs sorry! went to the right room opposite (there are 2 large rooms, 1 small), sat on the chair undressed, waited few mins Rihanna came in with my cuppa, asked her to just leave on window ledge can enjoy during massage. She took off her uniform, bra & panties, Nice!

It had been Rihanna`s 27th birthday couple wks ago on a BH, SKen closed, so I had bought her card box of her fave choc`s, which she accepted, opened card read message & the choc`s popped 1 in her mouth offered me one too, cheer`s Ri Ri. I always like to start with a naked hug, before getting onto massage table, lay straight away on my back, well it`s sensual massage aint it, needed to fit everything I`d planned into 3/4h, give reverse massage to Rihanna, back & front followed by intimate joint shower (best part for me), so Rihanna started massaging my cock sensually, making me rock hard instantly (always does), took me to the brink, but I wanted prolong the ecstasy long as possible, Rihanna gives the best body to body massage, she climbed on top, moving forward & back my hard cock between her boobs, Divine!

Holding myself back asked if I could massage her, no Problemo!

Rihanna lay face down, so I could massage her back & legs, before turning over, allowing me to massage her pert firm boobs, Lovely! whilst I was doing this, Rihanna, used her hand to give more attention to my cock, takes a lot of will power control not to cum, I held on as she held my hard cock, wanted to jump into the shower first, so Rihanna got off the massage table, gave me another choc, got the shower on asked me to get in first, ok

Rihanna then got in with me wearing towel over hair, let me rub shower gel, onto her boobs, while she carried on using her hand on my cock (believe me joint shower, is best bit), somehow I still managed self control, I always like to finish sat on chair, Rihanna kneeled in front of me, biting her lower lip concentrating on job in hand, I came big time, Rihanna cleaned me up, before we both got dressed.

I paid the fee ?70, well worth the money, next time will book for full hour ?85 It's what I call soft sex!

A very sensual experience without penetrative sex! Rihanna did brief spell escorting 2wks at Sken, but always fully booked, impossible to see her have been fantasising being with her ever since, maybe one day I'll finally get the opportunity have proper sex with her, meantime will have to be content to see her at Ego, for sensual massage, with erotic showers together!

Rihanna is THE reason, I first went to Ego, after reading her FR!

Love seeing Rihanna, we have a good connection
