The Premises:

Neat modern appartment block in city centre, close to the area known as The Hub. Clean and tidy building and appartment was very clean if small.

The Lady:

Very petite Oriental girl, 5ft 2 inches, slim with nice legs and a small but enhanced bust. Pretty face maybe 25 years old, long black hair.

The Story:

With my European girl experiences increasingly disappointing, and money tight, I tend to stick to Oriental women when I urgently need a pleasurable unloading. Passing through Milton Keynes I sadly found that my favourite squeeze, Mei, is away from Annabellas right now. Now the local MK paper invariably has phone numbers for 'oriental girls' but, never having seen a single review, I'd always been reluctant to try. On this occasion, however, a raging hard-on demanded attention to outbid caution. 'Sunny's' phone was answered by a pleasant Oriental accent assuring me that their girl that day was young, slim and busty and from Macau. So I decided to take a chance.

There was a slightly bizarre security ritual - I had to stand outside a nearby supermarket and call the girl from there. It transpired that she could see me from her apartment and that's her 'safety' routine.

Once in the apartment, I was met by the pretty lady described above. In brief, she provided a very pleasant service, wearing some nice feminine stockings & suspenders at my request, with good OWO (normally ?10 extra but free for my first time) and happy to be kissed and cuddled. She finished me off cowgirl style - I was pretty desperate as stated and her tight pussy was too much for me so I shot my load within a few thrusts. I enjoyed it immensely however. Candy explained that she is there most of the time but other girls do use the apartment, so I'm not sure how certain I could be of getting to fuck this cutie again. On the whole, a good experience for the Oriental fancier. I'm still addicted to Mei, but Candy will unload me nicely if I'm ever in the same dilemma.
