The Premises:

Typical shared flat in a large converted house. The flat was okay, neither great nor terrible.

The Lady:

Like the pictures only . Cindy is pretty, petite and perfectly proportioned. If you appreciate natural women then you will love her body, and OMG what an arse. The view from behind is enough to raise the dead and it certainly had that effect on me.

The Story:

The short story, Cindy is pretty, petite and has so much sexual energy that you'll be lucky if you can walk after seeing her.

Cindy started with bath, she's fun and funny and chatted between lovely dirty looks and owo stuffing me so deep I don't know how she didn't choke. After playing, and cleaning we moved to the bedroom. Laying on the bed she looked more than good enough to eat, so I had to try. I can tell you that everything tastes as good as it looks. Cindy wrestled me around to a 69 and sucked and licked, including rimming. After a bit it was on with the condom and off to the races. Well we went through all sorts of positions until I was exhausted. Doggy with Cindy, with that perfect, tiny arse is visual treat better than any porn movie. With Cindy there's no peace for the wicked, if I could not move she'd push me down and rode me, if bits of me flagged she had a cure for that. At the end of 2 hours I wasn't sure I'd be able to move. How she can manage more than one client a day I've no idea. I suspect more things are on the menu than I sampled, but really Cindy was a feast for the senses and I couldn't handle any more. Will I see her again, damn right I will, just as soon as my legs stop shaking. Go see her, be polite and gentle and she will give you the time of your life.

Highly Recommended!

PS Her friend Amelia poked her head around the door to say 'Hi' as I was leaving and I can tell you that she has a very pretty face and a lovely smile.
