candy is a very attractive lady,well dressed and elegant.her curves are set off by her height and her cleavage is eye-catching,wonderful body,fully shaven.

The Story:

candy is a delightful lady with bubbly personality,full of life and laughter.we chatted easily,as though we were old friends-helped perhaps by the fact that we had exchanged several emails and phone calls.the afternoon was really something else as she told me she felt real horny and had her wicked way with me on the settee,as a starter,before whisking me to the bedroom.offered lots of french kissing that always gets my pulse racing.i wont go into details as this is private,what i will say is OWO and CIM are well worth the visit alone.lots of kissing and cuddling,i only ever manage to cum the once but always enjoy a cuddle and kisses afterwards,candy never rushed me after the deed was done.she is the perfect host.
