The Premises:

Parking in nearby multi-story car park. Immaculate flat in quiet street.

The Lady:

O.M.G. Another absolutely drop-dead gorgeous babe. She towered over me at 6'2", but she was wearing 4" heels!

She's 5'10" in stockings, with blonde highlights, brown eyes and a very pretty round face with a permanent stunning smile. She's slim with nice tits. What more could I ask for?

The Story:

I thought I'd better post another FR, in case anybody thought I'd died from all of the naughty things I used to do. I'm fine.

Anyway, Vanessa is not only stunningly attractive but also has a lovely personality. She said "thank you" many times during our time together after I complimented her.

We stood kissing & cuddling for a while, then we laid on the bed for some more kissing & cuddling. I asked her if she'd like me to give her shaven haven some oral attention, to which she said yes.

Vanessa likes gentle licking and very gentle fingering of her G-spot. I had a great time down there. Eventually, she had enough and we moved on to sex in three positions, starting with her on top facing me.

When my knees finally gave way and I collapsed onto the bed exhausted, we kissed & cuddled some more. She tickled under my balls while I finished in the usual way. I nearly hit myself in the eye again!

Wow!
