The Premises:

Modern flat in a quiet cul de sac. Safe and suburban, on-road parking.
Place was clean and well furnished.

The Lady:

Victoria is from Latvia, about 5' 7", average figure, long dark hair and probably late twenties.

The Story:

Started with a little massage, more of a soft back rub. Gave her suckable tits some attention then went down on her shaven pussy until she came.

On with the condom for some pleasant oral and then into mish. Her pussy felt really good. She wasn't very chatty but not unfriendly so wasn't bad for the money although I was out in 25 minutes or less.
