The Story:

Bore no relation to the pictures on the City Butterfly site and I do not understand why I stayed. I wrote these words on the review section of the site and added that she tried her hardest. The first phrase was ignored whilst the second was included. This is the third time I have been victim of bait and switch with this agency which was reputable when I used it a few years ago and I advise punters to avoid. I may have got the date of my visit wrong as I have been seething for a month before deciding to help other punters save their money.
