The Story:

Scam warning. This place is a con. You see Tammy on the Purple site advertised as Beautiful Tammy and similar names. I was met at the door by a girl who said Tammybwas expecting me. I assumed she was the maid as she filled in the typical diary these places tend to keep. She was pleasant and said it was 150 for an hour with all services no extras. Took the cash and said I needed to go up the stairs and knock on the blue door. I did just that...and waited. Knocked again and waited a moment until a tall junky looking black guy with a pit bull opened the door. He said I must be one of those dirty guys looking for girls but there were none in the building.mi walked me down stairs with pit bull on the lead behind me. I said a girl had answered the door and she had gone behind another door. He said there were no girls in the building and he knew the guys in the 2 downstairs bed sits. I knocked on one door and another junky type came out, white and no pit bull. They both said I should leave NOW and the dog stated barking and pulling at the lead. Avoid her ad and any shabby looking house with bed sits type accommodation on his road.
