Oriental girl with with big breasts and nice figure.

### The Story:

My second only visit to a Soho walkup. Very friendly and could tell I was newish. Opted for a quick session. She led. She is proud of the big breasts (rightly so) and asked me to feel them - which I promptly did. Then play with my cock and rubbed different parts of my body and I hers. Led me to the bed and asked me to lie in the middle. Played with my cock to make it hard and on with the condom. Gave me a quick blow job to make sure I was really hard! Always asking if I am enjoying it - that's nice (I was of course). I'm not that big so she took the whole length. Then took her in missionary. Only last a few minutes but nice. Some eye contact. Cleaned up. Asked if I enjoyed myself and a kiss on each cheek.

Will come back after later as I have lots of places to explore first.
