The Story:

Yet another absolutely fantastic encounter with Adele! The fact that this was my 9th visit to see this lovely lady since we first met in January should be recommendation enough. She is uninhibited, genuinely enjoys sex, and no two visits to see her have been the same.

We started as usual with lots of passionate DFK, mutual groping and the removal of each others clothes ? Adele is one of the best kissers that I have ever met.

We moved to the bed and continued to kiss while we played with each other. Then she gave me a wonderful OWO blow-job, which she loves doing, and she is supremely good at it. After that we pleased each other in a 69 position.

Then onto lots of energetic sex in multiple positions, after which she allowed me to come in her mouth and we shared a snowball kiss.

After all this mutual enjoyment we showered together, which was a really nice way to conclude the appointment.

Adele is a wonderful person to spend time with. She was welcoming from the very first moment that we met, and conversation with her is a delight: she can be witty and funny but she can also spice things up by talking dirty to you. And she provides a genuine GFE as well as having a much naughtier side too.

Roll on visit number ten ?
