The Premises:

GG have recently moved back to the town centre. New apartment, very clean and very secure. lots of parking around the streets (metered)

The Lady:

Amy is gorgeous, She is definitely like her pictures. Spanish with very good english. She is a very friendly girl who is easy to talk to and get on with, even easier on the eye in her underwear and high heels. About 5.5 in her heels, Tanned and "fit as". A proper GFE

The Story:

I've seen Amy about 10 times now, She has never yet made me feel like she was performing a 'service' and every time I see her it gets better as I get to know her better.

I love being with her, time always goes too quickly and I always leave wanting more.

I'm too fond of her to go into details of what we did, but other than not doing CIM, A, or DFK (She does normal kiss beautifully though - so you won't miss out)

I can't wait to see her again, would love her to myself, but hey a girl has to make a living. Treat her well.

Would I see her again.... Already have....:-)
