The Premises:

A small serviced apartment close to the station. Off street parking to the rear. The area is quiet on a Saturday and I felt discreet and safe.

The flat itself was clean and tidy with a comfortable bed.

The Lady:

Ursula is gorgeous. As her profile states, she is of mediterranean extraction and is bestowed with a lovely olive-complexion. She has fabulous boobs, somewhat bigger than the D stated on her profile I would think. They are enhanced but this is not immediately obvious as they look SO good and are definitely not of the beach-ball variety.

The Story:

I was visiting the area for dinner on Saturday evening and after I night out on Friday, I had spent all day Saturday feeling rather horny. My solution was to give Ursula a go and boy am I glad I did! So glad in fact, that I made my excuses after dinner and went back to see her for a second time that day!

All services on her profile were delivered with great skill and enthusiasm; her oral skills are particularly good. My first visit was for 30 mins which was ??80 and I returned later for a long hour (she was in no rush to kick me out) which was ??120 plus ??20 for anal.

I felt that we really clicked and this made our time together all the better. She really is a lovely girl who ticks all my boxes and made sure that I had a really good time. I am therefore a) definitely going to see her again and b) giving her a big thumbs up!
