The Story:

It was my first experience in a walk-up. I waited 10 minutes (the time taken by the previous client) with the maid which was very gentle with me. She found my french accent very sexy!

Sarah opened the door. She was dressed so sexy : corset with stockings and heels. And I was immediately seduced by her style.

I choosed the prestation at 140 pounds. Maybe it is expensive but I had time and I wanted to discover what she could do for me.

Despite she was probably tired by all her previous prestations, she seemed very happy to have an hour with me. She gave the maximum to make me feel very happy all along that hour.

I started licking her breast. She continued by a blowjob with protection with a nice effect. My dick was fully erect. I offered to look after her and she gladly agreed. After a few minutes licking her pussy, she asked me to penetrate her and of course I did not do pray. I activated a few minutes into her tight pussy, but I could not resist very long time and I ejaculated.

A little cleaning and she began a great massage of all my body with a superb technique. She told me she had been masseuse in Thailand before coming to London. I think it is true. I loved this kind of massage without oil but with very skilled hands.

After 20 minutes she asked me if I was ready for a second round.

I did not believe in my strength recovered, but I told her that we could try. She began again a very dynamic blowjob.

After a few minutes I asked her to continue in 69. My cock was again very hard, but I could not ejaculate again. She was busy on my cock with incredible energy. A real deep throat.

After 5 minutes, and seeing I could not do it again, I offered her to finish by a massage. She was a little disappointed not making me enjoy a second time, but provided me with a head massage really incredible. The more divine than I had in my life. All this interspersed with deep kissing. Sarah really has magic fingers and lips!

I got out of that first experience in a walk-up with a big smile on my face.
So if you like asian girls, and if in addition to the sex you want a massage, do not hesitate one second, Sarah is the person you need. I highly recommend her.
