### Details of Service Provider:

### The Premises:

soho walkup, how clean and nice can it be...Rebecca was busy with another customer and the maiden asked me if I wanted to wait '5 minutes' in the kitchen. I agreed. '5 minutes' soon became 15 minutes. The maiden was smoking cigarettes like a chimney and swearing at the phone in a not too overt way. Didn't much mind the swearing, but the smoke was making me puke, I was almost leaving.

### The Lady:

girl from Lithuania, it's been over a month now and cannot remember her physical traits sharply, although I remember what came later, very well (see below). I have seen other girls since then so the memory is a bit fuzzy. She's in her early 20's, has soft skin, greenish eyes, slim. Not much else to say about it. I was at first disappointed when I saw her, as I had read other reviews of her being 'very pretty'. I concealed the initial disappointment but found her attractive enough for what we were going to do, but certainly not as attractive as I thought.

### The Story:

I paid the ? 20 + 2 for the smoke-addict maiden to buy more cigarettes...as soon as Rebecca returned and we started with the action, I was already feeling regretful to have paid this girl. I smiled and spanked her on the ass VERY slightly and she turned to me as if I had done something REALLY naughty and said she hated it. Bad start and the feeling of regret increased. While I was fucking her in missionary I was kissing her lightly on the ear and she said she hated that too.

Need to say anything else? I promised myself I would not fuck this girl even if she paid me. There's much better in Soho if you look hard enough, for example Aleena at 26 Romilly Street, early 20's as well and nice soft skin, but the biggest difference is that Aleena is very friendly and a sweet girl and gives me a very good service, she doesn't nag or bug me for every little stupid thing.

I just can't stand girls like Rebecca, seriously, even if I would have had sex with her for free, I would have done it only once, considering all the crap.

Don't rationalize with 'hey it's only ? 20...' without thinking 'yes, so? It's ? 20 but it's only a very few minutes of sex, and a bad service is a bad service, whether it lasts 10 minutes or 3 hours'.

You need none of that, sir. Shop around.
