The Premises:

soho walkup, so don't expect too much. Sort of acceptable. I carry my own handgel and try not to touch anything in these places other than the girls.

The Lady:

Spanish brunette, attractive, and what's best, nice and friendly. She has a bit of a tummy but she's attractive and I actually liked her WAY more than some other prettier Soho girls with a bitchy attitude like Rebecca in the very same building at 1 Bateman Street, or Katy at 70a Berwick Street, or Simona at 34 Romilly Street. They are prettier but Sasha is still attractive and her laid back attitude got me horny in no time.

The Story:

I liked this girl right away, we chatted a bit before the main deed and I paid the ? 20 + 2 for 10 min of sex. She left briefly and returned and proceeded to start licking my balls. Good start, and I didn't ask. A VERY different experience from Rebecca, whom I saw a few weeks later (I keep a diary of all my bangs).

While inside Sasha's lovely pussy, I could tell she wasn't faking and was enjoying it; she licked my nipples and she was moaning. I felt very very comfortable with this girl, felt more like an old friend although I am no needy guy who gets attracted like a frisky boy to a woman the first time I see her.

But Sasha seems a really nice girl. After we finished, we embraced ,smiled and kissed each other on the cheeks. I definitely recommend this girl 100 per cent, and yes I will see her again.
