### The Lady:

Three ladys working that day only chelsea free which no way a bad. Was introduce to Chelsea after being let in by maid and taken to private waiting booth clearly discertion taken paramount here unlike the venue of my previous field report. Chelsea was fab, cherry red hair, wonderful curves and figure with a few tattoos on body, was told to go to room upstairs in which there was a smartly presented bed, shower unit the works. Few minutes later Chelsea arrived very friendly made me feel instantly at ease, told me to lie for massage. Nice simple massage with attention payed to vital areas, turned over for frontal massage whilst given the menu choose sex and oral for 50. Nothing fancy but simple service ticked the boxes and good value for money indeed. After chatted and offered shower and drink which I accepted. No rush to leave felt valued which is big thing. On leaving was let out by Chelsea not before any customer came but I was ushered into other room to avoid contact. Was let out of main door and felt happy unlike my previous experience at hollywood massage inwhich I was given cold shoulder by staff and ripped money and felt like I was somewhere in between a Asian hangout and male changing room. Highly recommand thank Chelsea thank you x lounge.
