### The Premises:

Georgian ground floor flat close to West Pier. Nice room, certainly felt safe.

### The Lady:

About 5 feet 3 inch, I guess around mid-thirties though body was young in appearance. Clean, partly shaved.

### The Story:

I arrived & was shown into a clean but dimly lit room with a fan on. Sasa undressed straight away & asked me what I wanted to do. I immediately thought that I had not been speaking with this girl on the run up to meeting with her ( a common problem )& so I clarified what I wanted - no problems she said. We had sex in the usual positions - OWO was not offered as previously stated so I was a little disappointed. I asked if we could do WS as "agreed" & she said "10 pounds" to which I replied that she had said ( clearly ) that it was included. She left the room & after about 3 minutes of Chinese conversation she returned & said it was OK.

Although Sasa is quite accommodating I left feeling it was 60 quid wasted. I had been hoping for a relaxing time but at every moment that I appeared to be enjoying myself she would say "you come" which was annoying.
