### The Premises:

Nice location. Ample parking in retail park then a discreet entrance to ground floor flat. The flat was modern and well decoured.

### The Lady:

Crystal came accross as slightly older then I was expecting. She is around 5'7, dark haired, slim with a nice pair of boobs (enhanced) all hidden under a white gown when she opened the door. She is always smiling and makes you immediately feel at ease.

### The Story:

She said she worked with Horses by day so i had to get the "You like to ride big things between your legs" joke out of the way which instantly broke the Ice. We exchanged paperwork and then she came back and slipped off her white robe revealing those beautiful pair of tits (enhanced) which was worth my long trip to High Wycombe.

She started the OWO and knew what to do with her tongue and how to use it. I was expecting her to shift out of gear and start moving on to deep throat with intense sucking power but that never materialised so you are left from the experience wanting more.

Then it was my turn to return the favour so she lay on her back and let me introduce my tongue to her clit and that is when I realised that she had a real tight pussy. Then we moved onto sex which felt more intense because of her tightness and then that Friday feeling came all over me and inside Crystal :)

This was a enojoyable punt but you get the feeling that Crystal is missing a few tricks which I am sure she can overcome.

I use 'one 2 one' quite often and they a have a nice selection of girls in High Wycombe and Gerrard Cross (my local). I'm sure they will get the balance right between young and mature girls and it's only a matter of time when if they can get a girl with the age and beauty of Leanne, the boobs of Danielle and the tightness of Crystal. On that day I will die a very happy man - LOL!

A enjoyable punt with a lady who is not a clock watcher.
