The Premises:

Well-reported parlour. Easily the best in Sheffield.

The Lady:

Holly - mid-20s, brunette girl next door, busty, very sexy

Candice - early-30s blonde babe, gorgeous figure and all over tan

The Story:

Wow. I walked in looking for a 1 on 1 and the girls introduced themselves. Candice came out in this sexy short tight dress and gave me a very friendly kiss. I was about to pick her, then out came the irresistible Holly. Like a kid in a candy shop, I decided on the spot to go for a 2-girl.

Brilliant move. This was one of my very best ever punts. Two stunners taking it in turns to snog me passionately while the other gave expert OWO with great eye contact. First I fucked Holly and needed enormous willpower to avoid cumming, but I had to save some for Candice. The best memory (and there are so many from just half an hour) was fucking Candice doggy while Holly played with herself.

Both girls are absolute superstars - my perfect blonde and brunette types. Enthusiastic, raunchy good kissers that love dirty talk. Top-notch girls in every respect. I can't wait to get back to see them both again.
